Final Fantasy VII Remake: Material

Ultimania Square Enix 2021-12-07 Packed with

art and visual reference materials used during development of the game, this deluxe, hardcover volume is a must-have for fans of Final Fantasy VII Remake. Final Fantasy VII Remake: Material

Ultimania presents a comprehensive collection of production art and CG art assets, including character models and illustrations, locations and backgrounds, accessories, weapons, enemies, and more, all accompanied by staff commentary. This volume also includes detailed costume references, cutscene storyboards, song liner notes from the sound staff, and Q & A interviews with the Japanese voice actors. At over 300 pages, this full-color, jacketed, hardcover book is a visual tribute to the stunning new rendition of one of the most beloved RPGs of all time.

Final Fantasy XIII-2 Piggyback 2012-01 Final Fantasy XIII-2 - The Complete Official Guide - Collector's Edition includes:

- Exclusive coffee table book printed on highest-quality paper and bound in a padded hard cover.
- Limited print run, includes two ribbon bookmarks.
- Includes a 16-page bonus section exclusive to this edition.
- Every secret, every unlockable, every side-quest, every mini-game, every Achievement and every Trophy revealed and explained in a

dedicated Extras chapter. We've also added a story recap and an artwork gallery.

- The dedicated Walkthrough charts the critical path through the main narrative. It also provides regular prompts and tips to direct players to side quests and other optional features within the game world.
- The Tour Guide chapter includes one section per game location in each time period. This complements the Walkthrough by examining all optional activities offered in the game (side quests, mini-games, puzzles and power-leveling spots).
- The Completion Timeline chapter offers a visual and streamlined guide to 100% completion.
- The Strategy & Analysis section gives an advanced analysis of the game's key systems and features. This also covers the most complex topics such as character development in a thorough, yet user-friendly way.
- All-encompassing Inventory and Bestiary chapters feature exhaustive lists and tables covering all enemies, weapons, accessories, items and shops.
- The 100%

complete guide to Final Fantasy XIII-2. • Carefully designed to avoid unnecessary story spoilers.

The Walkthrough Doug Walsh 2019-05-16 The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and

Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.

FINAL FANTASY Box Set (FFVII, FFVIII, FFIIX) Prima Games 2015-07-07 The must have guide collection for any Final Fantasy fan, with books housed in a collectible slipcase and held closed by a magnetic clasp. This set includes hardcover guides for Final Fantasy VII, Final Fantasy VIII and Final Fantasy IX, each with a deluxe ribbon bookmark. Each guide has been redesigned and

updated with new content and high resolution screen shots. In addition, the set comes with three iconic game images printed for the first time as high quality lithographs. Includes three high quality lithograph prints that are secured in a Final Fantasy themed envelope.

Better Game Characters by Design Katherine Isbister 2018-04-30 Games are poised for a major evolution, driven by growth in technical sophistication and audience reach. Characters that create powerful social and emotional connections with players throughout the game-play itself (not just in cut scenes) will be essential to next-generation games. However, the principles of sophisticated character design and interaction are not widely understood within the game development community. Further complicating the situation are powerful gender and cultural issues that can influence perception of characters. Katherine Isbister has spent the last 10 years examining what makes interactions with computer characters useful and engaging

to different audiences. This work has revealed that the key to good design is leveraging player psychology: understanding what's memorable, exciting, and useful to a person about real-life social interactions, and applying those insights to character design. Game designers who create great characters often make use of these psychological principles without realizing it. *Better Game Characters by Design* gives game design professionals and other interactive media designers a framework for understanding how social roles and perceptions affect players' reactions to characters, helping produce stronger designs and better results.

[Fluent Forever](#) Gabriel Wyner 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years

old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the

spare minutes of your day.

Official Final Fantasy VII Strategy Guide David Cassady 1997 With this guide, gamers can save the world from an evil corporation which is siphoning off energy from the planet.
