Secrets of a Master Closer Mike Kaplan 2012-06-12 If you want to know, step by step, how to quickly, easily, and smoothly walk anyone from being a skeptical

prospect to a happy customer that refers you friends, family, and colleagues...then you want to read this book. Here's the deal: At its core, selling isn't a patchwork of cheesy closing techniques, annoying high-pressure tactics, or gimmicky rebuttals. True salesmanship follows very specific laws, has very specific steps and stages, and leaves a customer feeling happy and helped. It's honest, respectful, enlightening, friendly, and done with real care. It's the type of selling that wins you not only customers, but fans. Not coincidentally, this is the type of selling that truly great salespeople have mastered. This is the type of selling that keeps pipelines full and moving, and that builds a strong, loyal customer base that continues to give back to you in the form of customer loyalty, reorders, and referrals. Well, that's what this book is all about. It will give you a crystal-clear picture of the exact steps that every sale must move through and why, and how to methodically take any prospect through each, and eventually to the close. And how to do it with integrity and pride. In this book, you'll learn things like... . The eight precise steps of every sale. Leave any out, and you will struggle. Use them all correctly, and you will be able to close unlimited sales. . How to easily discover which prospects can use and pay for your product/service, and which can't. Time is your most valuable commodity as a salesperson, and if wasted, it costs you money. . The true purpose of the presentation and the crucial, often-missing steps that need to be taken first. If you're making the same presentation mistakes as most other salespeople, this chapter alone could double your sales. . Learn how to smoothly create an abundance of closing opportunities, and know when to act on them and close. This is the hallmark of every master closer. Learn it, use it, and profit. . Why it's a myth that you need to know multiple ways to close deals. Learn this one, simple method, and you'll be able to use it to close all of your sales. . Simple formulas to turn any objection into a closing opportunity. Use them and never fear hearing a prospect's objection ever again. . And a whole lot more! This is more than a just a book, really. It's a step-by-step sales training course. Each chapter ends with precise exercises that will help you master each technique taught and each step of the sales process. If you are new to sales, make this book the first one you read, and you will greatly increase your chances for quick success. If you are a seasoned veteran and are looking for ways to improve your numbers, this book will help you make your sales goals a reality. SPECIAL BONUS FOR READERS! With this book you'll also get a free "Road Map" from the author that lays out, in a PDF chart, every step and key principles taught in the book. Print it out and keep it handy because it makes for a great "cheat sheet" to use while selling, or just to refresh on what you've learned. Scroll up, click the "Buy" button now, learn the secrets of master closers, and use them to sell more, sell easier, and sell faster!"

The Secrets of Car Flipping Cleveland Williams 2012-09 In todays economy, being a smart consumer and investor is very important. Having a system you can use to help generate extra income can make a huge difference in so many peoples lives, so Im excited to put it out there. Everything in this book comes from what I have learned through trial and error and actually being in the business. Cleveland Williams The Secrets of Car Flipping is a very unique step by step guide that instructs on everything anyone would need to know for buying and selling used cars. This book teaches the reader where to find good used cars and alerts the reader of the dangers of buying from certain places, such as a car auction. Step by step, the reader will learn where to find cars, how to evaluate the condition of a car, how to determine how much the car is worth, and how to decide what one should pay for a car. This book is the ultimate guide for buying and selling used cars because it actually teaches the reader how to negotiate prices, gives the user sales strategies on how to get information from the seller about the car, and gives the reader tips on closing the deal. The second part of the book reverses this scenario and gives the reader step by step instructions on reselling the car and dressing the car for a buyer. The second part of the book also discusses how to advertise the car, deal with potential buyers, negotiate a price, and close the sale. This book has it all, and as a bonus, there are several secrets and tricks of the trade included. Along with giving the readers warning signs, I have also included things the reader should look for, dos and donts when buying and selling a car, and sample forms like a bill of sale. This is the only book that I know of that supplies the reader with all this information.
