**The Book of Two Ways** Jodi Picoult 2020-09-22 #1 NEW YORK TIMES BESTSELLER • From the author of Small Great Things and A Spark of Light comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

**The Storyteller** Jodi Picoult 2013-02-26 An astonishing novel about redemption and forgiveness from the “amazingly talented writer” (HuffPost) and #1 New York Times bestselling author Jodi Picoult. Some stories live forever... Sage Singer is a baker. She works through the night, preparing the day's breads and pastries, trying to escape a reality of loneliness, bad memories, and the shadow of her mother's death. When Josef Weber, an elderly man in Sage's grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their differences, they see in each other the hidden scars that others can't. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor. If she says yes, she faces not only moral repercussions, but potentially legal ones as well. With the integrity of the closest friend she's ever had clouded, Sage begins to question the assumptions and expectations she's made about her life and her family. In this searingly honest novel, Jodi Picoult gracefully explores the lengths to which we will go in order to keep the past from dictating the future.

**House Rules** Jodi Picoult 2010-04-03 From the #1 New York Times bestselling author of Small Great Things and the modern classics My Sister’s Keeper, The Storyteller, and more, comes a “complex, compassionate, and smart” (The Washington Post) novel about a family torn apart by a murder accusation. When your son can’t look you in the eye...does that mean he’s guilty? Jacob Hunt is a teen with Asperger’s syndrome. He’s hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he’s always showing up and telling the cops what to do. And he’s usually right. But when Jacob’s small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob’s behaviors are hallmark Asperger’s, but they look a tot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob’s mother, it’s a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it’s another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? House Rules is “a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise” (People).

Her father, Thomas, is in a mental institution. Jenna longs for her mom, a scientist who studied memory and elephants. One of Alice’s key findings was that people remember negative moments, but forget traumatic ones. Jenna believes this may have happened to her on the night that her mother disappeared. That night, the trampled body of an employee, Nevvie Ruelh, was found at Thomas’ elephant sanctuary in rural New Hampshire, the New England Elephant Sanctuary. Jenna clings to her mother’s journals as a way to hold onto her. She also searches for Alice online. Jenna consults a medium, Serenity Jones, who tells her that Alice is alive before brushing her off. Jenna learns online that Serenity lost her fame and credibility after wrongly telling a senator that his missing son was alive. She rides her bike home via a pretty spot carpeted with purple mushrooms at the former sanctuary, now a nature park. The journals say that Maura, her mom’s favorite elephant, buried her dead calf there. Alice reflects on whether elephants actually forget anything. Serenity’s gift of clairvoyance emerged when she was very young. She achieved great success, even had her own TV show, until fame went to her head and her two spirit guides left her. Now she is a fake psychic. After Jenna’s first visit, Serenity dreams about a woman and an elephant watching over her. Jenna returns. Serenity asks if her mother had something to do with elephants. When Jenna reacts positively, she is certain that she is meant to help Jenna.

A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy.
