A Companion to the Classical Tradition Craig W. Kallendorf 2008-04-15 A Companion to the Classical Tradition accommodates the pressing need for an up-to-date introduction and overview of the growing field of reception studies. A comprehensive introduction and overview of the classical tradition - the interpretation of classical texts in later centuries Comprises 26 newly commissioned essays from an international team of experts Divided into three sections: a chronological survey, a geographical survey, and a section illustrating the connections between the classical tradition and contemporary theory

From Academia to Amicitia Estelle Haan 1998 A detailed study of the Latin poetry by the 17th-century English poet and how it was influenced by his reading of Italian history, his travels in the country, and his contact with contemporary Italian scholars. Excerpts are in both the original Latin and English. Annotation copyrighted by Book News, Inc., Portland, OR

Contributions to a catalog of the Lenox library Lenox Library 1877

Women Latin Poets Jane Stevenson 2005 Women Latin Poets addresses women's relationship to culture between the first century B. C. and the eighteenth century A. D. by studying women's poetry in Latin. Based entirely on original archival research in twelve countries, Stevenson recovers an aspect of history often deemed not to exist: women who achieved public recognition in their own time, sometimes to a startling extent. Presenting, often for the first time, the work of more than three hundred women Latin poets, all translated and included in a comprehensive finding guide, Women Latin Poets substantially revises received opinion on women's participation in, and relation to, elite culture. The sheer number of female Latin poets will require women's historians to completely re-evaluate the idea that all women had 'no access to education' before the nineteenth century.

The London Catalogue of Books with Their Sizes, Prices and Publishers Containing the Books Published in London Since the Year 1814 to 1839 [Anonymus AC09764988] 1839

Poetry and Allegiance in the English Civil Wars Nicholas McDowell 2008-11-20 This book is about the things which could unite, rather than divide, poets during the English Civil Wars: friendship, patronage relations, literary admiration, and anti-clericalism. The central figure is Andrew Marvell, renowned for his 'ambivalent' allegiance in the late 1640s. Little is known about Marvell's associations in this period, when many of his best-known lyrics were composed. The London literary circle which formed in 1647 under the patronage of the wealthy royalist Thomas Stanley included 'Cavalier' friends of Marvell such as Richard Lovelace but also John Hall, a Parliamentarian propagandist inspired by reading Milton. Marvell is placed in the context of Stanley's impressive circle of friends and their efforts to develop English lyric capability in the absence of traditional court patronage. By recovering the cultural values that were shared by Marvell and the like-minded men with whom he moved in the literary circles of post-war London, we are more likely to find the reasons for their decisions about political allegiance. By focusing on a circle of friends and associates we can also get a sense of how they communicated with and influenced one another through their verse. There are innovative readings of Milton's sonnets and Lovelace's lyric verse, while new light is shed on the origins and audience not only of Marvell's early political poems, including the 'Horatian Ode', but lyrics such as 'To His Coy Mistress'.

A New Companion to Milton Thomas N. Corns 2016-03-21 A New Companion to Milton builds on the critically-acclaimed original, bringing alive the diverse and controversial world of contemporary Milton studies while reflecting the very latest advances in research in the field. Comprises 36 powerful readings of Milton's texts and the contexts in which they were created, each written by a leading scholar Retains 28 of the award-winning essays from the first edition, revised and updated to reflect the most recent research Contains a new section exploring Milton's global impact, in China, India, Japan, Korea, in Spanish speaking American and the Arab-speaking world Includes eight completely new full-length essays, each of which engages closely with Milton's poetic oeuvre, and a new chronology which sets Milton's life and work in the context of his age Explores literary production and cultural ideologies, issues of politics, gender and religion, individual Milton texts, and responses to Milton over time

Poemata Latin, Greek and Italian Poems John Milton 2003-10-01

The Poets Tongues: Multilingualism in Literature Leonard Wilson Forster 1970 Professor Forster studies poetry written in languages other than the poet's native tongue to survey multilingualism and its effects on literature.

Horace Odes 3 Professor Emeritus of Latin David West 2002 The three books of Horace's Odes were published in 23 BC and gained him his reputation as the greatest Latin lyric poet. This book provides the Latin text (from the

Oxford Classical Text series) of the third book together with a new translation by David West which attempts to be close to the Latin while catching the flavour of the original. There is also a commentary which explains the poems aimed at students of Latin literature and Roman history, whether or not they know Latin.

Poemata John Milton 2019-05-16 These complimentary pieces have been sufficiently censured by a great authority, but no very candid judge either of Milton or his panegyrists. He, however, must have a heart sadly indifferent to the glory of his country, who is not gratified by the thought that she may exult in a son whom, young as he was, the Learned of Italy thus contended to honourv.

Urbane Milton James D. Simmonds 1984 Milton Studies is published annually by the University of Pittsburgh Press as a forum for Milton scholarship and criticism. The journal defines the literary, intellectual, and historical contexts that impacted Milton by studying the work of his contemporaries, seventeenth century political and religious movements, his influence on other writers, and the history of critical response to his work.

Italy and the Classical Tradition Bloomsbury Publishing 2013-10-16 Italy's original fascination with its cultural origins in Greece and Rome first created what is now known as 'the Classical tradition' - the pervasive influence of ancient art and thought on later times. In response to a growing interest in Classical reception, this volume provides a timely reappraisal of the Greek and Roman legacies in Italian literary history. There are fresh insights on the early study of Greek and Latin texts in post-classical Italy and reassessments of the significance attached to ancient authors and ideas in the Renaissance, as well as some innovative interpretations of canonical Italian authors, including Dante, Petrarch and Alberti, in the light of their ancient influences and models. The wide range of essays in this volume - all by leading specialists - should appeal to anyone with an interest in Italian literature or the Classical tradition. Italy's early fascination with its Hellenic and Roman origins created what is now called 'the classical tradition'. This book focuses on the role of the Greek and Latin languages and texts in Italian humanist thought and Renaissance poetry: how ancient languages were mastered and used, and how ancient texts were acquired and appropriated. Fresh perspectives on the influences of Aristotle, Plutarch and Virgil accompany innovative interpretations of canonical Italian authors - including Dante, Petrarch and Alberti - in the light of their classical models. Treatments of more specialized forms of writing, such as the cento and commentary, and some opening chapters on linguistic history also prompt reassessment of Renaissance perceptions of both Greece and Rome in relation to early modern Latin and vernacular culture. The collection as a whole highlights the importance of Italy's unique legacy of antiquity for the history of ideas and philology, as well as for literary history. The essays in this volume, all by leading specialists, are supplemented by a detailed introduction and a subject bibliography.

A literary and biographical history or bibliographical dictionary of the English Catholics from 1534 Joseph Gillow 1885

Iter Italicum: en 2 vol. : (Alia itinera 1) : Australia to Germany 1963

John Milton Gordon Campbell 2010-11-11 The first biography of Milton based on original research for 40 years, and first to take account of new thinking about 17th-century England. Milton is seen here as flawed, passionate, ruthless, and ambitious, as well as one of the most accomplished writers of the time and author of the most influential narrative poem in English.

The Cambridge History of English Poetry Michael O'Neill 2010-04-29 A literary-historical account of English poetry from Anglo-Saxon writings to the present.

John Milton John T. Shawcross 2013-06-17 The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling students and researchers to read for themselves, for example, comments on early performances of Shakespeare's plays, or reactions to the first publication of Jane Austen's novels. The carefully selected sources range from landmark essays

in the history of criticism to journalism and contemporary opinion, and little published documentary material such as letters and diaries. Significant pieces of criticism from later periods are also included, in order to demonstrate the fluctuations in an author's reputation. Each volume contains an introduction to the writer's published works, a selected bibliography, and an index of works, authors and subjects. The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period (in slipcase boxes) and as individual volumes.

Andre de Resende's Poemata Latina (Latin Poems) André de Resende 1998 This collection includes a short biography of Resende and a large collection of his Latin poems, from about 1515 until his death in 1573, with both the Latin and the English translation.

Samuel Johnson and the Life of Reading Robert DeMaria 1997 If readers of the twentieth century feel overwhelmed by the proliferation of writing and information, they can find in Samuel Johnson a sympathetic companion. Johnson's career coincided with the rapid expansion of publishing in England--not only in English, but in Latin and Greek; not only in books, but in reviews, journals, broadsides, pamphlets, and books about books. In 1753 Johnson imagined a time when "writers will, perhaps, be multiplied, till no readers will be found." Three years later, he wrote that England had become "a nation of authors" in which "every man must be content to read his book to himself." In Samuel Johnson and the Life of Reading, Robert DeMaria considers the surprising influence of one of the greatest readers in English literature. Johnson's relationship to books not only reveals much about his life and times, DeMaria contends, but also provides a dramatic counterpoint to modern reading habits. As a superior practitioner of the craft, Johnson provides a compelling model for how to read--indeed, he provides different models for different kinds of reading. DeMaria shows how Johnson recognized early that not all reading was alike--some requiring intense concentration, some suited for cursory glances, some requiring silence, some best appreciated amid the chatter of a coffeehouse. Considering the remarkable range of Johnson's reading, DeMaria discovers in one extraordinary career a synoptic view of the subject of reading.

An Anthology of British Neo-Latin Literature Gesine Manuwald 2020-10-01 This volume offers a wide range of sample passages from literature written in Latin in the British Isles during the period from about 1500 to 1800. It includes a general introduction to and bibliography to the Latin literature of these centuries, as well as Latin texts with English translations, introductions and notes. These texts present a rich panorama of the different literary genres, styles and themes flourishing at the time, illustrating the role of Latin texts in the development of literary genres, the diversity of authors writing in Latin in early modern Britain, and the importance of Latin in contemporary political, religious and scientific debates. The collection, which includes both texts by well-known authors (such as John Milton, Thomas More and George Buchanan) and previously unpublished items, can be used as a point of entry for students at school and university level, but will also be of interest to specialists in a number of academic disciplines.

Poemata: Latin, Greek and Italian Poems John Milton 2019-03-08 These complimentary pieces have been sufficiently censured by a great authority, but no very candid judge either of Milton or his panegyrists. He, however, must have a heart sadly indifferent to the glory of his country, who is not gratified by the thought that she may exult in a son whom, young as he was, the Learned of Italy thus contended to honourv.

Dynamics of Neo-Latin and the Vernacular 2014-09-22 Dynamics of Neo-Latin and the Vernacular offers a collection of studies that deal with the cultural exchange between Neo-Latin and the vernacular, and with the very cultural mobility that allowed for the successful development of Renaissance bilingual culture.

Milton's Legacy Kristin A. Pruitt 2005 In The Reason of Church Government, a thirty-three-year-old John Milton writes of his hope that by labour and intent study... joyn'd with the strong propensity of nature, I might perhaps leave something so written to aftertimes, as they should not willingly let it die. Even the young Milton,

committed as he was to achieving a place in the annals of poetic history, might have been surprised by the strenuous efforts in aftertimes to keep his legacy alive. The fifteen essays that comprise this collection focus, from varied perspectives, on *Paradise Lost*, *Paradise Regained*, and *A Mask*, poems that have attracted sustained critical attention. Several consider shorter poems, such as the *Nativity Ode*, *The Passion*, *Upon the Circumcision*, and *Sonnet 14*. Some pursue issues of sources, authorship, and audience, while still others probe extant biographical records or reflect on the author as biographical subject. Diverse though they are in subject matter, approaches, and emphases, all demonstrate how Milton scholarship in the twenty-first century continues to be committed to not willingly let ting] Milton's literary legacy die. Kristin A. Brothers University. Charles W. Durham is professor emeritus of English at Middle Tennessee State University, and is president of the Milton Society of America.

Renaissance Latin Poetry Ian Dalrymple McFarlane 1980

Bibliotheca Britannica; Or a General Index to British and Foreign Literature: Authors Robert Watt 1824

The Routledge Handbook of Literary Translingualism Steven G. Kellman 2021-09-30 Though it might seem as modern as Samuel Beckett, Joseph Conrad, and Vladimir Nabokov, translingual writing - texts by authors using more than one language or a language other than their primary one - has an ancient pedigree. The Routledge Handbook of Literary Translingualism aims to provide a comprehensive overview of translingual literature in a wide variety of languages throughout the world, from ancient to modern times. The volume includes sections on: translingual genres - with chapters on memoir, poetry, fiction, drama, and cinema ancient, medieval, and modern translingualism global perspectives - chapters overseeing European, African, and Asian languages. Combining chapters from lead specialists in the field, this volume will be of interest to scholars, graduate students, and advanced undergraduates interested in investigating the vibrant area of translingual literature. Attracting scholars from a variety of disciplines, this interdisciplinary and pioneering Handbook will advance current scholarship of the permutations of languages among authors throughout time.

Poetry, Its Origin, Nature, and History Frederick A. Hoffmann 1884

Poemata 2006

Romantic Sustainability Ben P. Robertson 2015-12-24 Romantic Sustainability is an international collection of ecocritical essays that examine sustainability in relation to Romantic-era Britain. The essays examine the traditional Romantic canon but also delve into less well-known authors, all while interrogating issues of race, gender, religion, and identity, beginning with inspiration and creativity and ending with considerations about extinction

and apocalypse.

Bibliotheca Britannica; Or, A General Index to British and Foreign Literature Robert Watt 1824
