Finding God in the Universe Guy Consolmagno 2022-04-19 How does a scientist find God in the universe? Finding God in the Universe is the personal reflection of a Jesuit brother and astronomer, the director of the Vatican Observatory. Br. Guy Consolmagno, SJ, insists that science is more than observing the universe; it's learning how to pay attention, how to concentrate on one aspect while setting aside, at least momentarily, all the other interesting aspects that can distract us from a deeper knowledge of the universe--or of God. In his telling, joy is our compass, truth is our goal, and imagination weaves the story where we situate the joy that leads us to truth. Most importantly, both science and theology are done within a community of fellow seekers, where we share the stories that teach us how to explore, and with whom we can try to make sense of what we think we have found. In the My Theology series, the world's leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise, pocket-sized books.

The Case for Christmas Lee Strobel 2009-07-27 Who was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you’d expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? *The Case for Christmas* invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than you've realized. Weigh the facts . . . and decide for yourself.

Sermon Transcripts Zondervan Publishing 1998-02-15 It's been said that church is not a club for saints but a hospital for saved sinners. Today especially, with issues such as alcoholism, divorce, sexual abuse, homosexuality, domestic violence, and drug addiction as near to us as the next pew--or our own---a typical Sunday school class or Bible study alone just won't cut it when it comes to helping wounded people discover the healing and liberty Christ offers them. Celebrate Recovery fills a long-standing need in the church in its role as Christ's healing agent. Developed by Rick Warren and John Baker of the celebrated Saddleback Church, this program has already proved itself. In just six years, its remarkable, life-changing effectiveness has gained it an explosive, grass-roots popularity. Now Zondervan teams with the program's Saddleback authors to bring churches everywhere the first-ever 12-step recovery curriculum that's distinctively Christian, uncompromisingly biblical, and designed especially for churches. Everything is here: a 45-minute vision-casting video, leader's and participant's guides, audio tapes, software diskettes, and sermon transcripts---all in a tested, groundbreaking program, painstakingly and prayerfully developed to help needy, often desperate people discover new dignity, strength, joy, and growth in the image of Christ. Celebrate Recovery does more than help people resolve painful problems---it does so in the context of the church as a whole. Rather than setting up an isolated recovery community, this program helps both participants and their churches to come together and discover new levels of care, acceptance, trust, and grace. Designed to accommodate churches large or small, this fellowship-based, 52-week curriculum truly is a celebration of Christ in the life of a church and its members.

Joy to the World Scott Hahn 2014-10-21 What could be more familiar than the Christmas story--and yet what could be more extraordinary? The cast of characters is strange and exotic: shepherds and magicians, an emperor and a despot, angels, and a baby who is Almighty God. The strangeness calls for an explanation, and this book provides it by examining the characters and the story in light of the biblical and historical context. Bestselling author Scott Hahn who has written extensively on Scripture and the early Church, brings evidence to light, dispelling some of the mystery of the story. Yet Christmas is made familiar all over again by showing it to be a family story. Christmas, as it appears in the New Testament, is the story of a father, a mother, and a child--their relationships, their interactions, their principles, their individual lives, and their common life. To see the life of this "earthly trinity" is to gaze into heaven.

To Change the World James Davison Hunter 2010-04-14 The call to make the world a better place is inherent in the Christian belief and practice. But why have efforts to change the world by Christians so often failed or gone tragically awry? And how might Christians in the 21st century live in ways that have integrity with their traditions and are more truly transformative? In *To Change the World*, James Davison Hunter offers persuasive--and provocative--answers to these questions. Hunter begins with a penetrating appraisal of the most popular models of world-changing among Christians today, highlighting the ways they are inherently flawed and therefore incapable of generating the change to which they aspire. Because

change implies power, all Christian eventually embrace strategies of political engagement. Hunter offers a trenchant critique of the political theologies of the Christian Right and Left and the Neo-Anabaptists, taking on many respected leaders, from Charles Colson to Jim Wallis and Stanley Hauerwas. Hunter argues that all too often these political theologies worsen the very problems they are designed to solve. What is really needed is a different paradigm of Christian engagement with the world, one that Hunter calls "faithful presence"--an ideal of Christian practice that is not only individual but institutional; a model that plays out not only in all relationships but in our work and all spheres of social life. He offers real-life examples, large and small, of what can be accomplished through the practice of "faithful presence." Such practices will be more fruitful, Hunter argues, more exemplary, and more deeply transfiguring than any more overtly ambitious attempts can ever be. Written with keen insight, deep faith, and profound historical grasp, *To Change the World* will forever change the way Christians view and talk about their role in the modern world.

Prophet of Purpose Jeffery L. Sheler 2009-11-03 Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, *The Purpose-Driven Life*, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? *Prophet of Purpose: The Life of Rick Warren* traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a "church for people who hate church" in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles--a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. *Prophet of Purpose* brings Warren and his mission to life and provides a provocative glimpse into the potential future of Christianity in America.

Chazown Craig Groeschel 2006 Chazown (pronounced khaw-ZONE) from the Hebrew, meaning a dream, revelation, or vision. You were born with your own Chazown. Do you know what it is? You're invited on a most unusual odyssey--to find, name, and live out your personal Chazown. It's a journey you'll never forget because it's impossible to return unchanged. The Purpose Driven Church Rick Warren 2007-09-04 Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."
