The Making of 2001: A Space Odyssey Stephanie Schwam 2010-07-21 "If 2001 has stirred your emotions, your subconscious, your mythological yearnings, then it has succeeded."--Stanley Kubrick Stanley Kubrick's extraordinary movie 2001: A Space Odyssey was released in 1969. The critics initially disliked it, but the public loved

it. And eventually, the film took its rightful place as one of the most innovative, brilliant, and pivotal works of modern cinema. The Making of 2001: A Space Odyssey consists of testimony from Kubrick's collaborators and commentary from critics and historians. This is the most complete book on the film to date--from Stanley Kubrick's first meeting with screenwriter Arthur C. Clarke to

Kubrick's exhaustive research to the actual shooting and release of the movie.

Stanley Kubrick David Mikics
2020-08-18 An engrossing biography of one of the most influential filmmakers in cinematic history Kubrick grew up in the Bronx, a doctor's son. From a young age he was consumed by photography, chess, and, above all else, movies. He was a self-taught filmmaker and self-proclaimed outsider, and his films exist in a unique world of their own outside the Hollywood mainstream. Kubrick's Jewishness played a crucial role in his idea of himself as an outsider. Obsessed with rebellion against authority, war, and male violence, Kubrick was himself a calm, coolly masterful creator and a talkative, ever-curious polymath immersed in friends and family. Drawing on interviews and new archival material, Mikics for the first time explores the personal side of Kubrick's films.

Christiane Kubrick Paintings

Christiane Kubrick 1990
Stanley Kubrick Christiane Kubrick 2002 This rich and compelling volume is an intimate tribute to the private life and public work of legendary director Stanley Kubrick. Includes 200+ photos and images from his life and films.

Eyes Wide Shut Robert P. Kolker 2019-06-05 Twenty years since its release, Stanley Kubrick's *Eyes Wide Shut* remains a complex, visually arresting film about domesticity, sexual disturbance, and dreams. It was on the director's mind for some 50 years before he finally put it into production. Using the Stanley Kubrick Archive at the University of the Arts, London, and interviews with participants in the production, the authors create an archeology of the film that traces the progress of the film from its origins to its completion, reception, and afterlife. The book is also an appreciation of this enigmatic work and its equally enigmatic creator.

Stanley Kubrick and Me Emilio D'Alessandro 2016-05-17 This intimate portrait by his former personal assistant and confidante reveals the man behind the legendary filmmaker—for the first time. Stanley Kubrick, the director of a string of timeless movies from *Lolita* and *Dr. Strangelove* to *A Clockwork Orange*, 2001: *A Space Odyssey*, *Full Metal Jacket*, and others, has always been depicted by the media as the Howard Hughes of filmmakers, a weird artist obsessed with his work and privacy to the point of madness. But who was he really? Emilio D'Alessandro lets us see. A former Formula Ford driver who was a minicab chauffeur in London during the Swinging Sixties, he took a job driving a giant phallus through the city that became his introduction to the director. Honest, reliable, and ready to take on any task, Emilio found his way into Kubrick's neurotic, obsessive heart. He became his personal assistant, his right-hand man and confidant, working for him from *A*

Clockwork Orange until Kubrick's death in 1999. Emilio was the silent guy in the room when the script for *The Shining* was discussed. He still has the coat Jack Nicholson used in the movie. He was an extra on the set of *Eyes Wide Shut*, Kubrick's last movie. He knew all the actors and producers Kubrick worked with; he observed firsthand Kubrick's working methods down to the smallest detail. Making no claim of expertise in cinematography but with plenty of anecdotes, he offers a completely fresh perspective on the artist and a warm, affecting portrait of a generous, kind, caring man who was a perfectionist in work and life.

Stanley Kubrick 2004

Stanley Kubrick Stanley Kubrick 2001 From his first feature film, *Fear and Desire* (1953), to his final, posthumously released *Eyes Wide Shut* (1999), Stanley Kubrick excelled at probing the dark corners of human consciousness. In doing so, he adapted such popular novels as *The Killing*, *Lolita*, *A Clockwork*

Orange, and The Shining and selected a wide variety of genres for his films -- black comedy (Dr. Strangelove), science fiction (2001: A Space Odyssey), and war (Paths of Glory and Full Metal Jacket). Because he was peerless in unveiling the intimate mysteries of human nature, no new film by Kubrick ever failed to spark debate or to be deeply pondered. Kubrick (1928-1999) has remained as elusive as the subjects of his films. Unlike many other filmmakers he was not inclined to grant interviews, instead preferring to let his movies speak for themselves. By allowing both critics and moviegoers to see the inner workings of this reclusive filmmaker, this first comprehensive collection of his relatively few interviews is invaluable. Ranging from 1959 to 1987 and including Kubrick's conversations with Gene Siskel, Jeremy Bernstein, Gene D. Phillips, and others, this book reveals Kubrick's diverse interests -- nuclear energy and its consequences, space exploration, science fiction,

literature, religion, psychoanalysis, the effects of violence, and even chess -- and discloses how each affects his films. He enthusiastically speaks of how advances in camera and sound technology made his films more effective. Kubrick details his hands-on approach to filmmaking as he discusses why he supervises nearly every aspect of production. "All the hand-held camerawork is mine," he says in a 1972 interview about A Clockwork Orange. "In addition to the fun of doing the shooting myself, I find it virtually impossible to explain what I want in a hand-held shot to even the most talented and sensitive camera operator. " Neither guarded nor evasive, the Kubrick who emerges from these interviews is candid, opinionated, confident, and articulate. His incredible memory and his gift for organization come to light as he quotes verbatim sections of reviews, books, and articles. Despite his reputation as a recluse, the Kubrick of these interviews is approachable,

Parasite Bong Joon Ho 2020-05-19 Discover the illustrations that inspired the historic, OSCAR®-winning film's every shot in this graphic novel drawn by Director Bong Joon Ho himself. So metaphorical: With hundreds of mesmerizing illustrations, Parasite: A Graphic Novel in Storyboards is a behind-the-scenes glimpse at the making of one of the best films in years and a brand-new

way to experience a global phenomenon. As part of his unique creative process, Director Bong Joon Ho storyboarded each shot of PARASITE prior to the filming of every scene. Accompanied by the film's dialogue, the storyboards he drew capture the story in its entirety and inspired the composition of the film's every frame and scene. Director Bong has also written a foreword and provided early concept drawings and photos from the set, which take the reader even deeper into the vision that gave rise to this stunning cinematic achievement. Director Bong's illustrations share the illuminating power of his writing and directing. The result is a gorgeous, riveting read and a fresh look at the vertiginous delights and surprises of Bong Joon Ho's deeply affecting, genre-defying story.

notes, this work offers the most comprehensive study of the filmmaker to date.

Stanley Kubrick at Look Magazine Philippe Mather 2013
Sheds new light on the aesthetic factors that shaped Kubrick's artistic voice by examining the links between his photojournalist work (done between 1945 to 1950) and his films.

The Making of Stanley Kubrick's 2001 Piers Bizony 2014

Stanley Kubrick Tatjana Ljujić 2015
Stanley Kubrick: New Perspectives brings together essays by scholars who have examined the traces that Kubrick's work has left in archives, in particular his own collection of film-related materials, which was donated to the University of the Arts London in 2007. Richly illustrated with film stills and previously unseen material from the Stanley Kubrick Archive, this book is designed to open the reader's eyes to the wonder and richness of Kubrick's oeuvre. The collection held by the University is made

up of a range of material including props, scripts, research, production paperwork such as call sheets, costumes and photographs for all his films and *Look*, as well as material for those projects that were conceived but never visualised. By maintaining a high degree of control in the film making process, Kubrick was able to retain material generated by his pioneering techniques, research and production work: arguably making this collection one of the most complete examples of film making practice world wide. Kubrick's films have inspired a huge amount of critical commentary, yet until recently critics and scholars have made little use of archival resources. The essays included in this collection offer new perspectives on Kubrick's working methods, the manifold influences on his films, their themes and style as well as their marketing and reception. Between them, the essays cover the totality of Kubrick's career, from his beginnings as a photojournalist and documentary filmmaker in the

late 1940s and early 1950s to his last movie, *Eyes Wide Shut*, which was released a few months after his death in 1999. Ranging from low-budget noir thrillers to spectacular historical and futuristic epics, from war films to erotic dramas, from horror to topical movies, Kubrick's work explores fundamental questions about sexuality and violence, military organisations and combat, male bonding and marriage, human nature and social change. In doing so, he has produced iconic images (and sounds) representing key events and developments of the 20th century, including World War I, the threat of nuclear apocalypse, the space race, the Vietnam War, the rise of juvenile delinquency and family breakdown.

Reconstructing Strangelove

Mick Broderick 2016-01-08

During his career Stanley Kubrick became renowned for undertaking lengthy and exhaustive research prior to the production of all his films. In the lead-up to what would eventually become *Dr.*

Strangelove (1964), Kubrick read voraciously and amassed a substantial library of works on the nuclear age. With rare access to unpublished materials, this volume assesses *Dr. Strangelove's* narrative accuracy, consulting recently declassified Cold War nuclear-policy documents alongside interviews with Kubrick's collaborators. It focuses on the myths surrounding the film, such as the origins and transformation of the "straight" script versions into what Kubrick termed a "nightmare comedy." It assesses Kubrick's account of collaborating with the writers Peter George and Terry Southern against their individual remembrances and material archives. Peter Sellers's improvisations are compared to written scripts and daily continuity reports, showcasing the actor's brilliant talent and variations.

Space Odyssey Michael

Benson 2019-04-23

The definitive story of the making of *2001: A Space Odyssey*, acclaimed today as one of the greatest films ever made, and

*Downloaded from
myoga.co.nz on August

of director Stanley Kubrick and writer Arthur C. Clarke—"a tremendous explication of a tremendous film....Breathtaking" (The Washington Post). Fifty years ago a strikingly original film had its premiere. Still acclaimed as one of the most remarkable and important motion pictures ever made, 2001: A Space Odyssey depicted the first contacts between humanity and extraterrestrial intelligence. The movie was the product of a singular collaboration between Stanley Kubrick and science fiction visionary Arthur C. Clarke. Fresh off the success of his cold war satire Dr. Strangelove, Kubrick wanted to make the first truly first-rate science fiction film. Drawing from Clarke's ideas and with one of the author's short stories as the initial inspiration, their bold vision benefited from pioneering special effects that still look extraordinary today, even in an age of computer-generated images. In Space Odyssey, author, artist, and award-winning filmmaker Michael Benson "delivers

expert inside stuff" (San Francisco Chronicle) from his extensive research of Kubrick's and Clarke's archives. He has had the cooperation of Kubrick's widow, Christiane, and interviewed most of the key people still alive who worked on the film. Drawing also from other previously unpublished interviews, Space Odyssey provides a 360-degree view of the film from its genesis to its legacy, including many previously untold stories. And it features dozens of photos from the making of the film, most never previously published. "At last! The dense, intense, detailed, and authoritative saga of the making of the greatest motion picture I've ever seen...Michael Benson has done the Cosmos a great service" (Academy Award-winning actor Tom Hanks).

Stanley Kubrick Produces

James Fenwick 2020-12-18
Stanley Kubrick Produces provides the first comprehensive account of Stanley Kubrick's role as a producer, and of the role of the producers he worked with

throughout his career. It considers how he first emerged as a producer, how he developed the role, and how he ultimately used it to fashion himself a powerbase by the 1970s. It goes on to consider how Kubrick's centralizing of power became a self-defeating strategy by the 1980s and 1990s, one that led him to struggle to move projects out of development and into active production. Making use of overlooked archival sources and uncovering newly discovered 'lost' Kubrick projects (The Cop Killer, Shark Safari, and The Perfect Marriage among them), as well as providing the first detailed overview of the World Assembly of Youth film, James Fenwick provides a comprehensive account of Kubrick's life and career and of how he managed to obtain the level of control that he possessed by the 1970s. Along the way, the book traces the rapid changes taking place in the American film industry in the post-studio era, uncovering new perspectives about the rise of young

independent producers, the operations of influential companies such as Seven Arts and United Artists, and the whole field of film marketing. Stanley Kubrick Vincent Lobrutto 1999-05-07 Stanley Kubrick, director of the acclaimed films Path of Glory, Spartacus, Lolita, Dr. Strangelove, 2001: Space Odyssey. A Clockwork Orange, The Shining, and Full Metal Jacket, is arguably one of the greatest American filmmakers. Yet, despite being hailed as "a giant" by Orson Welles, little is known about the reclusive director. Stanley Kubrick—the first full-length study of his life—is based on assiduous archival research as well as new interviews with friends, family, and colleagues. Film scholar Vincent LoBRutto provides a comprehensive portrait of the director, from his high school days, in the Bronx and his stint as a photographer for Look magazine, through the creation of his wide-ranging movies, including the long-awaited Eyes Wide Shut. The author provides behind-the-

scenes details about writing, filming, financing, and reception of the director's entire output, paying close attention to the technical innovations and to his often contentious relationships with actors. This fascinating biography exposes the enigma that is Stanley Kubrick while placing him in context of film history.

The Making of Stanley Kubrick's 2001: a Space Odyssey Piers Bizony 2015

Part visual majesty, part meticulous science, part limitless imagination. Previously available as part of the multi-volume and instant sell-out Collector's Edition, this exhaustive compendium of photographs, pre-production paintings, and conceptual designs explores the genius behind 2001: A Space Odyssey, the sci-fi classic that remains the...

The Bloomsbury Companion to Stanley Kubrick I.Q. Hunter 2021-01-14 Stanley Kubrick is one of the most revered directors in cinema history. His 13 films, including classics such

as Paths of Glory, 2001: A Space Odyssey, A Clockwork Orange, Barry Lyndon, and The Shining, attracted controversy, acclaim, a devoted cult following, and enormous critical interest. With this comprehensive guide to the key contexts - industrial and cultural, as well as aesthetic and critical - the themes of Kubrick's films sum up the current vibrant state of Kubrick studies. Bringing together an international team of leading scholars and emergent voices, this Companion provides comprehensive coverage of Stanley Kubrick's contribution to cinema. After a substantial introduction outlining Kubrick's life and career and the film's production and reception contexts, the volume consists of 39 contributions on key themes that both summarise previous work and offer new, often archive-based, state-of-the-art research. In addition, it is specifically tailored to the needs of students wanting an authoritative, accessible overview of academic work on Kubrick.

Stanley Kubrick Rainer Crone
2013-06-25 The first book to document the early photographs of the famous and enigmatic film director Stanley Kubrick (1928 - 99). A fascinating account of American urban life including celebrities such as Leonard Bernstein, Kubrick documents a range of human emotion. Includes many never-before-seen photographs taken from 1945 - 50 and others not seen since their original publication in Look magazine. Sheds new light on Kubrick's apprenticeship and his early search for complex image compositions and dramatic narratives as developed in his films A Clockwork Orange and 2001: A Space Odyssey

Stanley Kubrick's "Napoleon" Alison Castle
2017-12 Presents source material and the final draft of the screenplay for Stanley Kubrick's unproduced motion picture "Napoleon". The single-volume publication is based on the original limited collector's edition, which featured 10 books. Includes facsimile of the

final draft of Napoleon: a screenplay / by Stanley Kubrick, dated September 29, 1969
On Kubrick James Naremore
2019-07-25 On Kubrick provides an illuminating critical account of the films of Stanley Kubrick, from his earliest feature, Fear and Desire (1953), to the posthumously-produced A.I. Artificial Intelligence (Steven Spielberg, 2001). The book offers provocative analysis of each of Kubrick's films, together with new information about their production histories and cultural contexts. Its ultimate aim is to provide a concise yet thorough discussion that will be useful as both an academic text and a trade publication. James Naremore argues that in several respects Kubrick was one of the cinema's last modernists: his taste and sensibility were shaped by the artistic culture of New York in the 1950s; he became a celebrated auteur who forged a distinctive style; he used art-cinema conventions in commercial productions; he challenged censorship

*Downloaded from
myoga.co.nz on August
11, 2022 by guest*

regulations; and throughout his career he was preoccupied with one of the central themes of modernist art – the conflict between rationality and its ever-present shadow, the unconscious. War and science are key concerns in Kubrick's oeuvre, and his work has a hyper-masculine quality. Yet no director has more relentlessly emphasized the absurdity of combat, as in *Paths of Glory* (1957) and *Full Metal Jacket* (1987), the failure of scientific reasoning, as in *2001* (1968), and the fascistic impulses in masculine sexuality, as in *Dr Strangelove* (1964) and *Eyes Wide Shut* (1999). The book also argues that while Kubrick was a voracious intellectual and a life-long autodidact, the fascination of his work has less to do with the ideas it espouses than with the emotions it evokes. Often described as 'cool' or 'cold,' Kubrick is best understood as a skillful practitioner of what might be called the aesthetics of the grotesque; he employs extreme forms of caricature and black comedy to create disgusting,

frightening yet also laughable images of the human body, creating a sense of unease that leaves viewers unsure of how to react.

inspired by Yoko Ono's event scores in her 1964 book Grapefruit, and she was officially co-credited as writer in June 2017. Imagine John Yoko tells the story of John & Yoko's life, work and relationship during this intensely creative period. It transports readers to home and working environments, showcasing Yoko's closely guarded archive of photos and artefacts, using artfully compiled narrative film stills, and featuring digitally rendered maps, floorplans and panoramas that recreate the interiors in evocative detail. John & Yoko introduce each chapter and song; Yoko also provides invaluable additional commentary and a preface. All the minutiae is examined: the locations, the key players, the music and lyrics, the production techniques and the artworks – including the creative process behind the double-exposure polaroids used on the album cover. With a message as universal and pertinent today as it was when the album was created, this landmark publication is a fitting tribute to

John & Yoko and their place in cultural history. This Collector's Edition includes: – An expanded copy of the book Imagine John Yoko bound in real cloth, with 150 additional illustrations, including more artworks from the This Is Not Here exhibition, an additional chapter devoted to the singles from the period, and six almost 1 metre-long gatefolds of panoramas stitched together from rare film outtakes – A numbered and officially stamped giclée print (30.2 x 23.4cm) in a clothbound portfolio case, reproduced on acid-free Olin Regular High White 300gsm woodfree paper, using archival pigment inks – The print, exclusive to this edition, is of an unused photographic proof of the Imagine album artwork by Yoko Ono – This edition is limited to 2,000 copies worldwide, plus 10 copies retained by the artist, inscribed i-x Table of Contents Preface – 1. Tittenhurst – 2. Recording Imagine – 3. Album Artwork – 4. Filming Imagine – 5. This Is Not Here – 6. The Singles – 7. Legacy

Alison Castle 2016 A comprehensive exploration of American filmmaker Stanley Kubrick's cinematic life's work and creative process featuring film stills, articles and essays by Kubrick and Kubrick scholars, letters, interviews, notes, and photographs. *Stanley Kubrick* Randy Rasmussen 2015-11-16 Stanley Kubrick had a great talent for creating memorable images—such as his famous jump cut from a bone tossed into the prehistoric sky to a spaceship orbiting the earth in 2001. Like the composer of a great symphony, Kubrick also had the ability to draw his memorable moments into a lyrical whole. Balancing harmony with discord, he kept viewers on edge by constantly shifting relationships among the dramatic elements in his movies. The results often confounded expectations and provoked controversy, right up through *Eyes Wide Shut*, the last film of his life. This book is an intensive, scene-by-scene analysis of Kubrick's most mature work—seven

meticulously wrought films, from *Dr. Strangelove* to *Eyes Wide Shut*. In these films, Kubrick dramatized the complexity and mutability of the human struggle, in settings so diverse that some critics have failed to see the common threads. Rasmussen traces those threads and reveals the always shifting, always memorable, always passionately rendered pattern. Instructors considering this book for use in a course may request an examination copy here.

Stanley Kubrick Nathan Abrams 2018-04-19 Stanley Kubrick is generally acknowledged as one of the world's great directors. Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu: the New York Jewish intelligentsia. Stanley Kubrick reexamines the director's work in context of his ethnic and cultural origins. Focusing on several of Kubrick's key themes—including masculinity, ethical responsibility, and the nature of

evil—it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns. At the same time, it explores Kubrick's fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director, manifest in his removal of Jewish references and characters from stories he adapted. As he digs deep into rare Kubrick archives to reveal insights about the director's life and times, film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry. Each chapter offers a detailed analysis of one of Kubrick's major films, including *Lolita*, *Dr. Strangelove*, *2001, A Clockwork Orange*, *Barry Lyndon*, *The Shining*, *Full Metal Jacket*, and *Eyes Wide Shut*. Stanley Kubrick thus presents an illuminating look at one of the twentieth century's most renowned and yet misunderstood directors. [Some Like It Hot](#) Billy Wilder 2005 The complete guide to Billy Wilder's masterpiece! Find

out everything you could ever want to know (and more) about the movie voted best comedy of the century by the American Film Institute. A daring tale of crossdressing from a time when the subject was all but taboo, *Some Like it Hot* (1959) tells the story of two jazz musicians who are forced to go undercover in an all-girls? band to escape from the mob. With an ingenious screenplay by I.A.L. Diamond and Billy Wilder, and flawless performances by Tony Curtis, Jack Lemmon and the famously difficult Marilyn Monroe, *Some Like it Hot* is the embodiment of comic perfection. David Fincher: Mind Games

Adam Nayman 2021-11-23

David Fincher: Mind Games is the definitive critical and visual survey of the Academy Award- and Golden Globe-nominated works of director David Fincher. From feature films Alien 3, Se7en, The Game, Fight Club, Panic Room, Zodiac, The Curious Case of Benjamin Button, The Social Network, The Girl With the Dragon Tattoo, Gone Girl, and Mank through his MTV clips for Madonna and the Rolling Stones and the Netflix series House of Cards and Mindhunter, each chapter weaves production history with original critical analysis, as well as with behind the scenes photography, still-frames, and original illustrations from Little White Lies' international team of artists and graphic designers. Mind Games also features interviews with Fincher's frequent collaborators,

including Jeff Cronenweth, Angus Wall, Laray Mayfield, Holt McCallany, Howard Shore and Erik Messerschmidt. Grouping Fincher's work around themes of procedure, imprisonment, paranoia, prestige and relationship dynamics, Mind Games is styled as an investigation into a filmmaker obsessed with investigation, and the design will shift to echo case files within a larger psychological profile.

collaborators. Material from over 150 books of press clippings in Chaplin's archives, which range from his early days in music halls to his death in Chaplin's short films, from *Making a Living* (1914) to *The Pilgrim* (1923), as well as all of his feature-length movies, from *The Kid* (1921) to *A Countess from Hong Kong* (1967).

Les Archives Stanley Kubrick
Jan Harlan 2016-08-24 En 1968, interrogé sur le sens métaphysique de 2001: l'odyssée de l'espace, Stanley Kubrick répondait: «Ce n'est pas un message que j'ai voulu transmettre en paroles. 2001 est une expérience non verbale... J'ai essayé de créer une expérience visuelle qui pénètre directement l'inconscient avec son contenu émotionnel et philosophique.» Désormais disponible parmi nos ouvrages de la collection Bibliotheca Universalis, *Les Archives Stanley Kubrick* suit le même principe. De la scène d'ouverture du *Baiser du tueur* aux derniers plans d'*Eyes Wide Shut*, le livre présente les images magistrales tirées des

films de Kubrick, reproduites en séquences, à travers des photogrammes fascinants et instructifs. Il dévoile le processus créatif de Kubrick grâce à des documents passionnants extraits des archives du cinéaste, parmi lesquels des éléments de conception des décors, des croquis, des lettres, des scénarios, des esquisses, des notes et des plans de tournage. Ce matériel visuel et issu d'archives est accompagné d'essais signés par d'éminents spécialistes de Kubrick, des articles écrits par et sur Kubrick, ainsi qu'une sélection de ses meilleures interviews. Le résultat offre un voyage érudit en images, dans les archives du réalisateur, à travers des chefs-d'oeuvre du cinéma du XXe siècle ainsi que dans l'esprit méticuleux de leur créateur.

Quentin Tarantino Ian Nathan 2019-10-01 Get an intimate look at the cult filmmaker of our generation. Packaged in a handsome slipcase and loaded with stunning pictures from the Kobal archives, this biography explores the genesis of

Tarantino's unique directorial style and provides insight into his inspirations and his frequent collaborations with favored actors. An 8-page foldout timeline presents Tarantino's entire filmography in the heart of the book. Through in-depth and informative text written by renowned film journalist Ian Nathan, this book examines the entirety of Tarantino's work, including his early writing on screenplays such as True Romance and Natural Born Killers, his break-out directorial debut Reservoir Dogs and the career-defining Pulp Fiction, as well as his later iconic films,

such as Kill Bill Volumes 1 and 2, Inglourious Basterds, and Django Unchained. You'll also go behind the scenes of Tarantino's latest epic, Once Upon a Time in Hollywood. As you make your way through Tarantino's incredible career, discover what inspired him, his working methods, and the breadth of his talent. With a visually arresting design that mimics Tarantino's approach to film-making and chapters organized by film, the pages are brimming with images taken on set and behind the scenes. This is the ultimate celebration for any Tarantino fan.
